

## IMPORTANT NOTICE:

# New Group ID

Your employer has been assigned a new group ID and if you were enrolled in the benefits previously, you have been assigned a new subscriber ID with HealthEZ. Please use your new ID Card for all care needed going forward

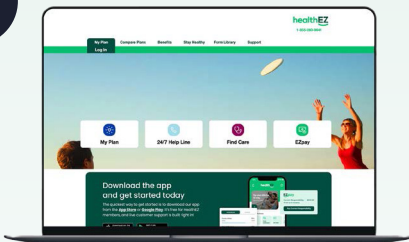

## Option 1

You can visit your dedicated benefits website and activate your myHealthEZ account with a different email address than what you used with your previous ID card. If you choose this option, your historical information will remain under your previously created login.

## Option 2

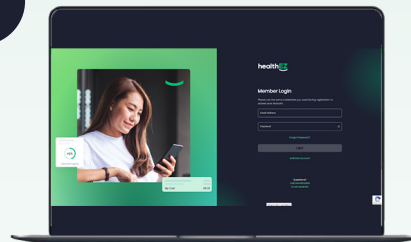

1

Click log in.

2

Click "Activate your account".

3

Using your NEW ID card, complete the steps to activate using the same email address as your current login.

4

Once you hit activate your account, the following message will appear. Click the link to "login here" then proceed to login with your existing username and password for MyHealthEZ.

5

Once logged in, you will be able to go back and forth between your accounts using the "Switch User" function under the Account page on your desktop, tablet or phone.
